

COUNTERFEIT FIRE EXTINGUISHERS

- **UL Warns of Counterfeit Fire Extinguishers**
- **Northbrook, Ill., Feb. 14, 2007** -- Underwriters Laboratories (UL) is notifying consumers that fire extinguishers manufactured by International Technology Services have not been evaluated for safety by UL and bear a counterfeit UL Mark in the United States.
- **Name of Product:** 2-B-C Fire Extinguisher
- **Units:** Unknown quantity
- **Manufacturer:** International Technology Services
- **Date of Manufacture:** Unknown
- **Identification:** These fire extinguishers are approximately 8"-9" tall and approximately 2-3/4" in diameter and have a black head attachment with a squeeze trigger for activation the extinguisher.
- The nameplate of the counterfeit products is marked "FIRE EXTINGUISHER" "2-B-C" and "INTERNATIONAL TECHNOLOGY SERVICES."
- **What you should do:** UL recommends that users stop using the product immediately and return it to the place of purchase.
- **Consumer Contact:** Consumers should call +1-732-635-0230 with questions or contact: International Technology Services, 71 Commerce St, #265, Boston, MA 02109 or International Technology Services, 7 Lincoln Highway Suite 210 Edison, NJ 08820.
