INTER-OFFICE COMMUNICATION

TO: Garth Christie, Clerk
FROM: Brian Lafferty, Lieutenant BL
RE: Cable Notice

I am requesting that a notice be placed on the Township's cable information channel informing the residents of the following:

Redford Township Fire Department will be flushing hydrants beginning Monday, September 25, 2006. Flushing will be done between 9:00 AM and 2:30 PM, Monday through Thursday, and between 9:00 AM and 12 Noon on Fridays. We anticipate completing this process by Friday, November 3, 2006.

The areas affected will be as follows:

SOUTH END: The east and west Township borders, from the railroad tracks south to Joy Road

NORTH END: The east and west Township borders, from Curtis north to Eight Mile Road

During this time residents are requested to check the clarity of their water prior to doing laundry, as the discoloration in the water may stain clothing. The discoloration will subside within a short time and with the use of the water. The discoloration does not affect the water quality.

Thank you for your cooperation.
