General Dance Information

- ✓ The Redford Dance Program is designed to give the community a dance studio environment through the Redford Leisure Services Department. The program runs from mid-September through June with a recital OR PARENT PERFORMANCE in which all students participate. The students purchase costumes and have pictures taken with their classmates.
- ✓ **Class fees may be made all up front or can be paid in installments. In order to participate in the recital/parent performance all students are required to take classes throughout the entire season. Classes begin the week of September 13, 2021.**
- ✓ There are many levels of each form of dance, which offers the students many challenges as they progress. We also offer a competitive Dance Team. RDCT teams are currently set for the 2021/2022 season- **Auditions for the next Competition Team and Companies will be held in June 2022.**
- ✓ The Redford Dance Program has created levels in order to help further their advancement and skills in dance. Please note that spots are not guaranteed in classes and registration is first come first served basis.
- ✓ This program is a school-year program that runs through June, there will be no classes held on major Holidays and will be listed in your dance booklet at registration. Due to the changes in school this year and snow days, there will be a weather line in case dance needs to be cancelled due to inclement weather at (313) 387-2656. Please note classes missed or cancelled due to snow days or other closings etc., will not be made up since this is a full season program. We will attempt to make up but this is not guaranteed.
- ✓ Your child's health is our number one priority. We are still asking that parents of students ages 7 & up **please be sign them in at the main doors and parents wait in your car until class is over. This is to avoid large gatherings in the building and by dance rooms. If at any time in person classes need to be cancelled we WILL CONTINUE via zoom until it is safe to return to the studio. Please note, refunds/credits will not be given due to this circumstance. If the Township has to cancel the remaining classes due to circumstances out of the Townships control or the pandemic, it will be CREDITED only to your account to be used for future classes.** The Community Center is still ensuring enhanced cleaning protocols. We ask that if your child is sick or experiencing symptoms, please do not attend class on that day.
