Letter from the Supervisor

Hello Warm Weather! We are all grateful for having warm weather and being able to be outside again. Here in Redford Township, we have many opportunities to enjoy being outside with our family, friends and neighbors. There are two county parks, 12 township parks and Glenhurst Golf Course. At our Community Center we offer a wide range of programs for all ages. This is all thanks to our dedicated staff, volunteers and organizations involved within our township which is only 11.2 miles in size.

There are opportunities for you to get involved in our community from boards and commissions to volunteering for events. Just give me a call and we can talk about what your interests are.

I love our community and I think you will too. Enjoy the warm weather, get out, be active and get engaged.

From my family to yours, be safe and let’s build a better Redford.

Redford Township Supervisor, 313-387-2715, pmcrae@redfordtwp.com

Letter from the Superintendent

Greetings Redford Residents, I hope this message finds you and yours safe and well.

I appreciate this opportunity to share the enclosed information regarding township services and recreational programming for the Spring and Summer of 2021. I do so with hopeful anticipation of longer, warmer, and brighter days ahead!

2020 was a challenging year, but we made the best of the quiet time by bringing much-needed improvements to Townhall, and safety precautions to all of our Township facilities. Some of the highlights include; the resurfacing of the Townhall parking lot, the relocation of Assessor’s Office to the first floor, ADA compliant hallways and restrooms to improve accessibility for the disabled, and fresh paint, doors, carpet, and desks that help establish the professionalism of our offices and inspire hometown pride. We increased public health and safety measures by updating our security system, and adding plexiglass service windows, sanitation stations and social distancing markers to limit the spread of the COVID-19 virus. The best news is we were able to utilize federal grant dollars, provided through Community Development Block Grant (CDBG) and Federal Emergency Management Agency, (FEMA) to help cover the costs.

We have updated our Emergency Management Plan and are currently working with the State, County, and neighboring communities to assist our residents in getting vaccinated in accordance with the Governor’s plan. We are encouraged by President Biden’s goal to have all residents that want the vaccine, to be vaccinated by the end of May and we are doing all we can to assist in that effort. Please visit our website at redfortwp.com to stay informed.

In the meantime, we will continue to work diligently to deliver the services that you expect and deserve, and offer the recreational programming that our residents, and families enjoy!

Sincerely Yours in Service,

Redford Township Superintendent

Because we can run four elections in one year (not a record) citizens could be easily confused that elections are all we do in the Clerk’s Office. To the contrary, we continue to provide our day to day services during election season, which seems to be year-long. Some of these services include, garage sale permits, business licenses, notaries, voter registration, absentee ballot applications and general information. Check the directory for your area of concern.

NEIGHBORS RING VIDEO APP
The Redford Township Police Department has expanded on the concept of the Eyes on Redford program and joined the Ring Neighbors App! Neighbors was developed by the Ring doorbell company as a way to connect their members to each other to share information. You do not have to have a Ring to join the Neighbors App. Neighbors allows each user to remain anonymous, including their location, when posting videos, commenting, or sharing posts. The app allows each user to set a geographical area around their address to follow and receive updates. The Neighbors App can be used with both Android and Apple devices. Redford Township Police Department is now an official partner with the Neighbors App and can request videos about crimes from all partners within a certain area. It is important to know that RTPD sees the same public profile that everyone else sees unless a member gives express permission for their information to be shared with the department. RTPD cannot access your non-posted video’s without your permission. RTPD can also post a variety of community updates, which could be essential in the event of a significant event or catastrophic incident.

NEIGHBORHOOD WATCH

Guidelines for Refuse, Recycling Yard Waste & Large or Bulky Items Collection

The Charter Township of Redford in cooperation with GFL Environmental USA is proud to provide your refuse, recycling, yard waste & large bulky item collections. Please read these guidelines carefully and keep them handy as they will answer many questions about the various types of collections. Failure to follow these guidelines may result in your refuse, recycling, yard waste or large/bulky items not being picked up.

A single stream sorting center is used so you do not need to separate your recyclables. See chart below for acceptable items. Additional recycle bins may be purchased from GFL Environmental (844) 464-3587. **Please rinse/clean/empty items before placing into recycle bin.

| BRANCHES & SHRUBS. Residents may put at the road on trash day up to four (4) bundles of branches for pickup at one time with yard waste. Branches must be less than 1½” in diameter, cut into lengths of no more than 4 feet and tied into bundles weighing no more than 45 lbs each. They may also be placed in yard waste bags or cans. Stumps, logs & root balls are not acceptable. Tree & landscape contractors are responsible for removing all materials as a result of their work.

Have you cleaned the leaves out of your ditch or off the storm drains in your street? The Water & Sewer Department reminds residents that the storm drains, catch basins and ditches must be kept clean, especially when the trees begin to lose their leaves in the fall. Your assistance in keeping the storm drains and ditches clean will also prevent flooding of neighborhood streets during heavy rains and snow melt periods. Also, any water that flows into the storm drains and ditches goes thru the storm water system underneath the Township and then directly (untreated) into the local Rouge River. If you witness an illicit discharge into the storm water system, contact the Wayne County Dept. of Environment’s 24 hour Hotline at (888) 223-2363 or the Redford Water & Sewer Dept. at (313) 387-2670.

Why do we flush the fire hydrants every fall? As part of an annual maintenance program, the Fire Department flushes fire hydrants in a different section of the Township every year during the months of September & October (weekdays only). Information on specific areas where flushing will occur will be posted in the “Redford Observer” newspaper, on Brighthouse Channel 8, WOW Channel 10, AT&T U-verse Channel 99 and the Township website at www.redfordtwp.com. Maintenance is performed to ensure proper pressure at each hydrant and to determine whether a repair may be needed.

Water customers may experience discolored water when your area is being flushed (or during a water main break). During this time period your water service may be affected even when hydrants are being flushed several blocks away. The discoloration does not affect the water quality and is a result of stirred up sediments in the water mains. It may take several hours for the stirred up sediments to clear. Do not run your hot water during this time as this will draw the discolored water into your hot water tank and may stain your clothes if you are doing laundry. Instead, periodically run a cold water faucet at the lowest point in your house for 3-5 minutes. If the water is still discolored, wait 1-2 hours and then try running the cold water again to see if it is clear. Prolonged problems should be reported to the Water Department by calling (313) 387-2670.

Have you ever noticed water bubbling up out of the ground or running down the street along a curbed area? There may be a water main break, especially during winter months when pipes in the ground shift because of freeze and thaw cycles. Contact the Water & Sewer Department at (313) 387-2670 M-F 8:30am to 4:30pm to report a possible main break and its location. After office hours or on the weekends contact the Police Department at (313) 387-2500.

Why is my drinking water sometimes cloudy? At various times of the year we receive calls from residents wanting to know why their water is cloudy when first taken from a faucet and then clears up. Cloudy water occurs most often in the fall and winter months when the ground temperatures change and water is colder. The cloudiness is caused by tiny air bubbles in the water similar to the gas bubbles in beer and carbonated soft drinks. If you let the water sit for a while, you will notice that the bubbles rise to the top and dissipate.

Do you have a vacant home on your block? During the winter months it is possible for water pipes in the vacant home to freeze and burst if water is still on at the home and it is heated. Also, a water meter in an unheated area may freeze and burst if it has not been winterized. If you suspect there is a home in your area that is unheated or if you see water running out a window or door of the home write down the address and call the Water & Sewer Department at (313) 387-2670 M-F 8:30am - 4:30pm or contact the Police Department after hours or on weekends at (313) 387-2500. In addition, if you have a vacant home where the exterior of the property is not being maintained (high grass, weeds, debris) report it to the Building & Ordinance Department at (313) 387-2680 or by sending an email to building@redfordtwp.com or SeeClickFix.com. Provide us with the address of the violation, as well as your name and phone number should we need to contact you for additional information.
EVENTS & INFORMATION FROM THE PUBLIC SERVICES DEPARTMENT

2021 YARD WASTE PICKUP: April 5–December 17. Remember yard waste in plastic bags is not allowed and will not be picked up under any circumstance. Bags or waste cans may not exceed 45 pounds when filled. All waste cans must have 2 handles on the outside & be marked as “yard waste” or “compost” or they will not be emptied. Straw, hay, apples, logs, tree stumps, dirt, rocks or sod are not acceptable as yard waste. Landscape companies are responsible for disposal of their own waste. Yard waste pickup each year always begins the first full week of April and runs thru the 2nd Friday of December.

SET OUT TIMES & LIMITS FOR TRASH PICK UP. Set out trash no earlier than 6pm the night before your pickup & no later than 6am the morning of collection for your area. There is a limit of 12 bags or cans of regular household trash. No limit on amount of yard waste collected thru dates listed above.

LARGE ITEM PICKUP. The Township’s current waste hauling contract with GFL Environmental 844-464-3587 allows residents to place two (2) large items out with their regular garbage every week for pickup at no charge and no appointment is needed. Examples of types of acceptable items are mattresses, couches, chairs, tables, dressers, carpet/padding (must be rolled, cut to 3′ width & tied/taped) and other similar items. Appliances may also be set out but anything containing freon (refrigerator, freezer, air conditioner, dehumidifier) must first have the freon reclaimed by a certified contractor at your own expense & have a certification tag placed on the appliance. As an alternative, call Wayne County Resource Recovery Coordinator at 734-326-3936.

WATER DISCOLORATION occurs when there is a main break or a hydrant is opened. Sediments in the lines are stirred up and require several hours to settle. Do not use your hot water until you are sure the water is clear, as this will draw the sediments into your hot water tank and may stain your laundry. Instead, periodically run a cold water faucet at the lowest point in your house (usually the basement) for 3-5 minutes until the cold water is running clear. If discoloration continues call the Redford Water Department 313-387-2670. Hydrant flushing (Sept-Nov) will cause discoloration also.

Redford Township Hosts High-Quality Art Reproductions

The Detroit Institute of Arts is bringing 7 art reproductions to Redford Township as part of Inside|Out, an innovative program that delivers and installs high-quality reproductions from the DIA’s collection to outdoor venues in Macomb, Oakland and Wayne counties.

Redford Township is one of 24 communities across Macomb, Oakland and Wayne counties to host Inside|Out in 2021. Pieces will be on view from May through October.

The DIA’s Inside|Out art installations will be featured across Redford Township and placed within walking, bike-riding or a short car ride distance from each other. Locations include Claude Allison Park, Redford Historical Museum, Redford Township Hall, The Marquee of Redford, Redford Township District Library, Handy Park and Kraft Park.

As a part of the tri-county millage passed in 2012, the DIA offers free museum admission to any resident living in Macomb, Oakland or Wayne counties. The millage also supports free programs such as Inside|Out and “Thursdays at the Museum.”

“Inside|Out helps us engage and inspire the communities around us. We are excited to bring our world-renowned collection of art beyond the museum walls and directly into COMMUNITY,” said Salvador Salort-Pons, DIA director.

The Detroit Institute of Arts (DIA), one of the premier art museums in the United States, is home to more than 60,000 works that comprise a multicultural survey of human creativity from ancient times through the 21st century. From the first Van Gogh painting to enter a U.S. museum (Self-Portrait, 1887), to Diego Rivera’s world-renowned Detroit Industry murals (1932–33), the DIA’s collection is known for its quality, range and depth. The DIA’s mission is to create opportunities for all visitors to find personal meaning in art.

All Inside|Out art installations are listed at dia.org/insideout.

Programs are made possible with support from residents of Wayne, Oakland and Macomb counties.

Summer Dance Program
Would your child like to learn how to dance or further their dance skills? Our shortened summer programming is great for those students that would like to try a session before our year-long program in the fall. It is also great for current dancers to continue dancing through the summer break! All of our instructors are certified in dance or pursuing their dance degree. Under the instruction of our new Dance Director Lizz LeClerc and teachers current students have expanded their skills and enhanced their choreography!
We cannot wait for your child to become a Redford Dance student and continue to grow.
