

PROCLAMATION
WORLD WILDLIFE FUND'S
EARTH HOUR CHALLENGE
March 23, 2013

WHEREAS: Earth Hour has captured the world's imagination with a simple, powerful act of celebration for our planet; and,

WHEREAS: Earth Hour is a simple idea that quickly turned into a global phenomenon. Hundreds of millions of people around the world turn off their lights for one hour on the same night, to focus on the one thing that unites us all—our planet; and,

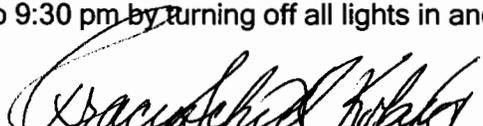

WHEREAS: we depend on the planet for so many things like food, fuel, water and fresh air and the actions we take—from the energy we use to the food we buy—have an effect on the world. Earth Hour is our chance to make and show our commitment to protect our planet not just for one hour a year, but every day; and,

WHEREAS: our towns and cities are already facing the staggering costs of weather driven to extremes by climate change, and the resulting power outages, flooded roadways, shuttered businesses, and damaged homes are becoming more and more frequent. Many cities across America understand these risks and are taking practical measures to prepare; and,

WHEREAS: Earth Hour 2013 is a global call to action to every individual, every business and every community throughout the world. It is a call to take responsibility for our environmental impact and join a growing international community who are committed to leading global environmental change; and,

WHEREAS: on Saturday, March 23, at 8:30 pm, thousands of cities, townships and businesses around the world will go dark for one hour during Earth Hour.

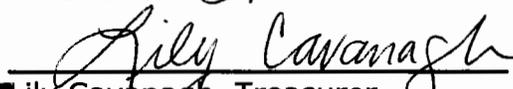

NOW THEREFORE, BE IT RESOLVED BY The Charter Township of Redford Board of Trustees challenge our township businesses and residents to take part in Earth Hour on Saturday, March 23, 2013 from 8:30 pm to 9:30 pm by turning off all lights in and around your business and home!
