## Did you know...??

that Wayne County has established priorities for snow removal throughout the County? The first roads to be cleaned are the expressways. Second to be cleaned are the main roads (Telegraph, Plymouth, Grand River and the Mile Roads etc..). Third to be cleaned are the school bus routes as designated by the two school districts. Lastly, residential streets are plowed (if four or more inches of snow are present). Remember, the county can not plow the street if cars are parked on them.
