

At this time of
Thanksgiving
our thoughts turn gratefully
to you with
warm appreciation

Dear Friends of Habitat for Humanity,

As Thanksgiving approaches we begin to reflect on the many blessings that have been bestowed on us. Habitat for Humanity of Western Wayne County has so much to be grateful for. Where would we be if not for our countless volunteers, donors and sponsors? Thanks to the generosity of others, we have been able to provide decent, affordable housing to nine families this year! Donations of funds, services and time help us to continue our mission to provide families with hope of a better life. We are grateful for your support.

Special thanks goes to the city of Westland and Mayor William Wild, the city of Taylor and Mayor Jeffrey Lamarand, and to the Charter Township of Redford and Supervisor Tracey Schultz Kobylatz for partnering with Habitat and giving us opportunities to serve families in need of decent housing. You have made a difference in the lives of others.

Also, a big thank-you goes out to all of our sponsors and organizations that have stepped up to help Habitat in our mission. Those include NSP, HUD, the Apostle churches, the Yatooma Foundation, SNAP, Lowe's, Meijer's, PODS, and Jimmy John's. We would not have been able to do what we do without you!!!

This years recipients of our Raymond J. Carbott Service Award are Ken & Annette Horne. For your generous financial contributions and outstanding support of our mission we salute you!! Please know how grateful we are.

The 15th Annual Great Lakes Regional Chili Cook-off and Motorcycle Show was held on Sunday, October 10th in downtown Plymouth. Habitat for Humanity is one of the recipients of the proceeds of this annual event. We are thankful for these proceeds which help us continue to provide housing to those in need. Our winners this year of the chili Cook-off are: Ashby Woolf (First Place), Dale Marble (Second Place), and Hap Hanna (Third Place). Our congratulations go out to them.

When Thanksgiving arrives take a moment to reflect and give thanks. Habitat gives thanks daily for those who have given unselfishly of their time, talents and money so others might have a decent place to live.

Sincerely,

Alice Dent, Executive Director
Habitat for Humanity of Western Wayne County
