"MOVE" Act

The Military and Overseas Voter Empowerment Act (MOVE Act) New state and federal laws make it easier for military and overseas civilian voters to register and participate in elections. Under the new laws, military and overseas civilian voters can now receive a ballot by e-mail or fax to speed the voting process! (The voted ballot must be returned by mail for security purposes.)

Military and overseas civilian voters interested in obtaining ballots for the elections that will be held this year must request a ballot through their local clerk. Requests for absentee ballots submitted prior to 2010 are no longer valid and cannot be processed.

If you are in communication with military or overseas civilian voters who are eligible to vote in Michigan, we encourage you to inform them of these new laws.
