## **Redford Township Oktoberfest Returns This Weekend**

*The autumn celebration is back and open to the public after two years of cancellations during the coronavirus pandemic.*

[REDFORD TOWNSHIP, Sept. 19, 2022] – Redford Township’s annual Oktoberfest celebration will return this year. Join the Redford community in celebrating fall with one of our oldest traditions during the two-day event at Town Hall on September 23 and 24.

Beginning at 6 p.m. Friday, residents can visit the Town Hall complex for corn hole, hay rides, music and activities for children and adults alike. Authentic German food and drink will be available for purchase both days.

“We are excited to see this community event return to Redford Township,” says Michael Dennis, Community Development Director and Festival Committee chairperson. “This fall festival puts a lot of smiles on faces and many of the events provided are free to the public.”

Saturday’s festivities kick off at noon and include contests, bounce houses, and an axe-throwing trailer for adult residents.

More information about the Oktoberfest is available on Redford Township’s website or the Redford Township Festivals Facebook page.
