Redford Township Honors Former Service Members on Veterans Day

[REDFORD TOWNSHIP, November 11, 2022] – Redford Township is taking a moment this Veterans Day to honor those who have served our country. Officials will host a ceremony thanking local veterans at 7:00 p.m. Friday, Nov. 11, at the Veterans Memorial in the Town Hall complex.

In addition, Redford would like to offer a heartfelt thanks to those veterans who currently work in Township offices, continuing their lifetime of public service. Current Township employees who have served our country include:

- Chuck Rohborn, U.S. Army (1961-1967)
- Township Clerk Garth Christie, USMC (1983-1993)
- John Burris, MI Army National Guard (1989-1998)
- Matthew Miller, USMC (1990-1994)
- Michael Dowling, U.S. Army (1984-1992)
- Police Chief Nicholas Lentine, USAF (1986-1994)
- Ryan Kensinger, USMS (2012-2016)

We thank you for your service to our country, and to Redford Township.

The Township also is working to memorialize past and present Redford residents who have served through the restoration and cataloguing of the Boards of Honor inside Town Hall. Anyone interested in having their name or that of a family member added to the plaques can email Supervisor Pat McRae at supervisor@redfordtwp.com for more information.
