2021 YARD WASTE PICKUP

April 5th - December 10th

Remember yard waste in plastic bags is not allowed and will not be picked up under any circumstance. Bags or waste cans may not exceed 45 pounds when filled. All waste cans must have 2 handles on the outside & be marked as "yard waste" or "compost" or they will not be emptied. Straw, hay, apples, logs, tree stumps, dirt, rocks or sod are not acceptable as yard waste. Landscape companies are responsible for disposal of their own waste. Yard waste pickup each year always begins the first full week of April and runs thru the 2nd Friday of December.

SET OUT TIMES & LIMITS FOR TRASH PICK UP

Set out trash no earlier than 6pm the night before your pickup & no later than 6am the morning of collection for your area. No limit on amount of yard waste collected thru dates listed above.

LARGE ITEM PICKUP

The Township's current waste hauling contract with GFL Green for Life allows residents to place two (2) large items out with their regular garbage every week for pickup at no charge and no appointment is needed. Examples of types of acceptable items are mattresses, couches, chairs, tables, dressers, carpet/padding (*must be rolled, cut to 3' width & tied/taped*) and other similar items. Appliances may also be set out but anything containing freon (*refrigerator, freezer, air conditioner, dehumidifier*) must first have the freon reclaimed by a certified contractor at your own expense & have a certification tag placed on the appliance. As an alternative, call the Wayne County Resource Recovery Coordinator at 734-326-3936 for additional info regarding disposal of freon containing appliances.
